

Appendices-1

Chronological Growth of Junagadh Agricultural University

Year	Particular
1852	Fruit Research Station, Mahuva
1920	Cattle Breeding Farm, Junagadh
1926	Agricultural Research Station, Amreli
1949	Cotton Research Station, Khapat
1951	Sagdividi Farm, Junagadh
1954	Oilseed Research Station, Manavadar
1956	Main Oilseed Research Station, Junagadh
1957	Dry Farming Research Station, Jam Khambhalia
1958	Dry Farming Research Station, Targhadia
1958	Main Sugarcane Research Station, Kodinar
1958	Dry Farming Research Station, Vallabhpur
1958	Grassland & Agricultural Research Station, Dhari
1960	Wheat Research Station, Junagadh
1960	College of Agriculture, Sardarbaug, Junagadh
1960	Affiliation of College of Agriculture to Gujarat University
1960	Establishment of Statistical Cell
1962	Main Pearl Millet Research Station, Jamnagar
1965	Dry Farming Research Station, Nanakhandhasar
1965	Post Graduate faculty in Agriculture was established
1965	Master's and Ph.D. degree programmes in Agronomy, Agril. Economics, Agril. Entomology, Agril. Extension, Plant Breeding and Genetics, Plant Pathology, Soil Science, and Agril. Statistics were commenced
1965	Master's degree programme was introduced for Horticulture
1966	Mechanized Commissioned Farm was established at Junagadh
1966	Establishment of Instructional Farm at Junagadh
1968	Affiliation of college was transferred to Saurashtra University, Rajkot

Year	Particular
1969	Establishment of Botanical Garden at Junagadh
1969	Establishment of Herbarium at Junagadh
1969	Establishment of Cytogenetics Laboratory at Junagadh
1972	Inception of Gujarat Agricultural University as an autonomous body
1972	Transfer of education, research and extension activities to Gujarat Agricultural University (GAU)
1984	College of Agricultural Engineering & Technology, Junagadh
1986	Master's and Ph.D. Programmes in Plant Physiology, Agril. Meteorology, and Biochemistry were commenced
1991	Fisheries Research Station, Okha
1991	College of Fisheries Science, Veraval
1994	Master's degree programme got started for Farm Machinery & Power Engg., Processing & Food Engg., Renewable Energy Engg., and Soil & Water Engg.
1997	Establishment of Microbiology Cell at Junagadh
1999	Establishment of Organic Farming Research Cell at Junagadh
1999	Establishment of Agro-Meteorological Cell at Junagadh
2001	Ph.D. degree programme got started for Farm Machinery & Power Engg., Processing & Food Engg., Renewable Energy Engg., and Soil & Water Engg.
2004	Bifurcation of Gujarat Agricultural University into four separate universities
2004	Junagadh Agricultural University came in to existence
2006	Master's Programme (M.F.Sc.) in Fisheries Science was started
2006	Establishment of Modern Green House at Junagadh
2006	Inception of Department of Plant Physiology, Tissue Culture & Biotechnology Laboratories at College of Agriculture, Junagadh.
2006	Master's degree programme was started for Aquaculture, Fisheries Resources & Management, and Fish Processing Technology
2007	Introduction of PG Diploma Programmes in Agriculture
2007	Introduction of Master's Programme in Veterinary Sciences and Animal Husbandry (M.V.Sc.)

Year	Particular
2007	Master's degree programme started in Agril. Biotechnology, Floriculture & Landscaping and Seed Science & Technology
2007	Master's degree programme was commenced for Animal Genetics & Breeding, Animal Nutrition and Livestock Production & Management
2008	PG Diploma Programmes were introduced in Agril. Engg.
2008	College of Veterinary Sciences and Animal Husbandry, Junagadh
2008	Ph.D. Degree Programme was commenced in Veterinary Sciences and Animal Husbandry
2008	Ph. D. degree programme was started for Animal Genetics & Breeding, Animal Nutrition, and Livestock Production & Management
2008	PG Institute of Agri-Business Management, Junagadh
2008	Establishment of Department of Seed Science & Technology at Junagadh
2008	Commencement of MBA in Agri-Business
2008	National e-Governance Award
2008	Handing over of Seed Farm, Kodinar; Seed Farm, Manavadar; Seed Farm, Junagadh; Vegetable Farm, Junagadh; TCD Farm, Kukada; TCD Farm, Talaja; TCD Farm, Pipadia and Seed Farm, Veraval by the State Government of Gujarat to the control of the University.
2009	Establishment of WTO Cell
2009	Polytechnic in Agriculture, Horticulture, Agro-processing and Home Science were started
2009	Food Testing Laboratory, Junagadh
2010	Ph.D. degree programme was offered for Plant Biotechnology
2011	Ph.D. degree programme was started for Floriculture & Landscape Architecture and Fruit Science
2011	Ph.D. degree programme got introduced for Aquaculture, Fisheries Resources & Management, and Fish Processing Technology
2011	Inauguration of Alumni Association, College of Agriculture, JAU, Junagadh
2012	B.Sc. (Hons.) Horticulture was started
2012	Mega Seed Centre for Quality Seed Production and Distribution, Junagadh

Year	Particular
2012	Seed distribution under the brand name, “Sawaj Bheej” from JAU, Junagadh
2012	Establishment of Bio-Fertilizer Unit at Junagadh
2013	College of Agriculture at Motabhandariya in Amreli
2013	Bull Mother Farm for <i>Jaffrabadi</i> breed of buffalo was started at Pratappura in Amreli
2013	Establishment of Department of Biotechnology, Junagadh
2013	Establishment of Department of Biochemistry, Junagadh
2013	Ph.D. degree programme was started for Seed Science & Technology
2013	Master’s degree programme got commenced for Animal Biotechnology, Veterinary Microbiology, Veterinary Physiology, Veterinary Surgery & Radiology, Vet. Pharmacology & Toxicology, Vet. Clinical Medicine, Ethics & Jurisprudence, Veterinary & Animal Husbandry Extension, Veterinary Epidemiology & Preventive Medicine
2013	Ph.D. degree programme was started for Animal Biotechnology, Veterinary Surgery & Radiology, Veterinary Clinical Medicine, Ethics & Jurisprudence
2014	Ph.D. degree programme was introduced for Veterinary Pharmacology & Toxicology
2014	Establishment of Department of Instructional Livestock Farm Complex, College of Vet. Sc. & A. H., Junagadh
