

STUDENT'S WELFARE

Chapter - VI

6.1 Director, Students' Welfare :

Director, Students' Welfare is responsible for making arrangements for housing, boarding and welfare of the students and coordinates various co-curricular activities such as arrangement of Inter Collegiate, Inter University and National level Sports tournaments, literary and cultural competitions, and also implements various activities of National Service Scheme as Programme Coordinator (NSS) other than the academic work. The Directorate facilitates the students of outgoing batches in finding the suitable placement based on their caliber. Students of JAU get placed in National and Multinational agro-based companies, Universities, banks, agricultural engineering firms; NGO's are a few among them. Directorate of Students Welfare serves as a hub of students' guidance, counseling and placement, financial assistance, Students' discipline activities for all its constituent colleges and Polytechnics. The ultimate objective is to groom the students to become good citizens of country by personality development and skill for better living. The DSW office also comprises different cadre official's assigned additional duties from other departments for welfare activities. The Directorate organizes frequent motivational talks by eminent personalities as well as by alumni of Junagadh Agricultural University who have proved their mettle in various field of agriculture. It also helps the students in facing the challenges of life by conducting mock group discussions and interviews under Campus to Corporate seminar. The Directorate conducts various training programmes on Leadership & Personality Development through Life skills for the holistic development of the Students. In addition to the above various special programme assigned by State Government like Voter awareness Programme, Swachh Bharat Mission, Woman Empowerment Programme are carried out.

6.2 Students' Union :

The Student Representative Council (SRC) is constituted by the Principals of respective colleges by

selecting the sincere and leading students in sports, culture, debate and adventure activities. The Principal acts as a President of SRC of respective College and nominates the Chairman, Students' Representative Council, and staff advisors of the respective College after obtaining approval from the Director, Students' Welfare.

6.3 Students' facilities :

All the undergraduate and post graduate students are provided with hostel facilities with an attached mess. Various hostel facilities exist for the students of different faculties, in addition to this, an International hostel for foreign students is available, there are total 27 hostels, 20 for boys and 7 for girls having capacity to accommodate 2312 students. Looking to the increasing strength of the students two more hostels are under construction at Targhadiya and Amreli.

University library situated near the hostel area is utilized by students for reference, reading and net surfing. A sport complex exists near the hostels for the carrying out extra co-curricular activities for the students. Two new grounds for Kabaddi and Kho-Kho are available with flood light facilities. A multipurpose Indoor Sports Stadium at par with National Standards is also available for indoor sports. The solar streetlights are installed in premises of sports complex for night time practice of sports.

Students' Counseling and Placement:

Student counseling and Placement Cell is constituted for the betterment of students with a committed view to provide exposure and opportunities to the students to the corporate world. Director of Students' Welfare coordinates and monitors the activities of Student Counseling and Placement cell functioning in all the constituent colleges of the Junagadh Agricultural University. Student Counseling and Placement cell is functioning under the Director, Students' Welfare with objectives to maintain data base of the students of outgoing batch and to keep in constant touch with various employers for conducting campus interview for providing better placement opportunity. The Directorate also arrange

special lectures and short term training on Personality Development and life skills, communication skills, Leadership development resume preparation for the

students of all the faculties, so as to built the self esteem of the students which enable them to face the challenges with confidence.

Campus Interview by Agro - Industry

6.4 Physical Education Programme :

The University also emphasis on the activities of games and sports with objectives viz; to keep the students physically efficient, mentally alert, morally sound and socially well behaved. For partial fulfillment of such objectives various indoor and outdoor games are organized like Athletics, Badminton, Basketball Cricket, Kabbadi, Kho Kho, Table Tennis, Volleyball, etc Adventure activities are also conducted under overall supervision of the Director, Student Welfare. The University provides

sufficient games and sports materials to the students as well as University level teams. The University is equipped with sufficient numbers of play grounds in addition to full fledged Indoor Sports Stadium, adequately equipped gymnasium and physical fitness centre to catch to the needs of athletics, sports and games events.

During the year 2017-18 following Inter Collegiate, Inter Polytechnic and Inter University sports tournaments were conducted.
