Thalassemia checkup camp 2019

College of Agriculture, Khapat-Porbandar had organized a Thalassemia Test camp on dated 29th January 2019 for the first year students with the aim of awareness among students about Thalassemia. For the Thalassemia camp we got support from Indian Red Cross Society, Ahmedabad. In this camp, around 25 students got Thalassemia test. The camp was coordinated by Dr. H. V. Solanki, SRC Chairmen, College of Agriculture, Khapat-Porbandar with the support of Staff and 2nd semester students.
